Health Insurance Statistics for the years ended 2021, 2022 and 2023

The Financial Performance Report published on the Department of Health Regulatory Services ("DHRS") website is aggregated industry statistics verified by the respective insurer's auditor. The Financial Performance Report contains figures from the health insurance companies that are licensed by the Cayman Islands Monetary Authority (CIMA) and approved by the Health Insurance Commission (HIC) to offer health insurance coverage to persons who are ordinarily resident in the Cayman Islands.
